

SARDOR SAFAROV

Django | Backend Developer

+998937377880 sardor.safarov200320@gmail.com <https://www.linkedin.com/in/sardor-safarov-b372b226a/> Tashkent

SUMMARY

Ability to solve problems: creative approach to questions, independent learning.
Time management: Completing projects on time.
Teamwork: Communicating with the team, commenting on code, and providing feedback.
I have successfully automated deployment processes, ensuring smooth and efficient delivery of high-quality software solutions.
This combination of skills ensures that I can not only develop robust applications but also streamline their deployment and maintenance, adding significant value to any development team.

EXPERIENCE

Django Backend Developer
